PUBLIC INFORMATION SESSIONS!

April 2007, Issue 7

The City of Greater Sudbury and the Nickel District Conservation Authority are hosting four public information sessions in April. The purpose of these sessions is to introduce new Drinking Water Protection Area signs that have been placed in proximity to municipal wells that supply groundwater to residents in Azilda, Chelmsford, Capreol, Dowling, Falconbridge, Garson, Onaping, Valley East and Hanmer. These Drinking Water Protection

Signs are a reminder that we should pay extra attention to land-use activities in these areas.

Everyone is invited to attend to learn more about Drinking Water Protection Areas and about water friendly alternatives to help protect our municipal wells. There will also be general information about Source Water Protection and the new *Clean Water Act*. Everyone is welcome!💧

Do you know where your drinking water comes from?

Public Information Sessions 7p.m.-9p.m. on the following dates and locations:

Tuesday, April 10

Capreol Community Centre
20 Meehan Street, Capreol

Tuesday April 24

Dowling Leisure Centre
79 Main Street West, Dowling

Thursday, April 12

Centennial Community Centre
4333 Centennial Road, Hanmer

Thursday April 26

Garson Community Centre
100 Church Street, Garson

A NEW BOOK BLOSSOMS

Looking to wet your reading appetite? Try a new book about Canadian water issues **Eau Canada: The future of Canada's Water.** Coming to your Greater Sudbury library in the near future! For more information visit the website: www.eaucanada.ca 💧

EARTH DAY FESTIVAL -APRIL 22

Be there or be square on April 22nd, 2007 for the 2nd Annual Earth Day Festival at the Market Square. The fun filled FREE event runs Sunday from 10am-4pm. Building on the success of last year's event, there will be a large variety of green businesses and environmental community groups showcasing all kinds of local green initiatives in addition to live music and workshops.

New this year is a local food fair as well as children's entertainment and activities.

Don't miss this great opportunity to learn about local environmental groups and green products. Nathalie Gara-Boivin will be the Master of Ceremonies for the event so make sure to drop by and say hi and to visit the Source Water Protection display and pick up Source Water Protection information. 💧

2007 Earth Day Festival details visit: <http://communities.mysudbury.ca/Sites/earthday>

Spring Cleaning...
Think Water-Friendly Car Wash!

DID YOU KNOW:

Waste water from washing your car will run off into storm sewers entering our creeks, rivers and lakes without being treated.

Try these water friendly tips next time you wash your car!

- 💧 Use phosphate free and biodegradable soaps.
- 💧 Take your vehicle to a commercial car wash where waste water is treated .
- 💧 Use buckets of water to wash and rinse instead of hosing down your vehicle.
- 💧 For more information visit: www.junctioncreek.com
