

Come over to the dark side and meet those amazing birds that exist by moonlight.

OWL PROWL

Spend an evening with Chris and Greg Blomme from the Sudbury Ornithological Society, whose presentation will introduce you to the fascinating lives of our local species of owls. Then take a quiet night hike, where we will try to call in some wild owls. Warm up with hot chocolate in the Nature chalet afterwards.

FAMILY FRIENDLY

BRING A FLASHLIGHT

**Lake Laurentian Conservation Area
Nature Chalet -2309 South Bay Rd.
Wednesday, March 1, 2017 6:30 - 8:30 p.m.
