For Immediate Release

### **LIN GIBSON ELECTED CONSERVATION ONTARIO VICE-CHAIR FOR 2013/2014**

Conservation Sudbury-Nickel District Conservation Authority (N.D.C.A.) Chairperson Lin Gibson was recently elected to the Board of Directors of Conservation Ontario (C.O.) at the Annual C.O. meeting that was held in Toronto as one of the two Vice-Chairs for 2013-2014.

"I am honoured to have been elected by the Council of Conservation Authority members to this prominent position within our provincial organization. I look forward to working with all my colleagues to advance the important work that we do in our watersheds," said Gibson. "I believe I can bring to the table a sound voice for Northern Ontario along with a common passion shared by all CA's to protect our watersheds throughout the province."

Conservation Ontario is the network of the 36 Conservation Authorities in Ontario, which deliver programs and services that protect and manage water and other natural resources in partnership with governments, landowners and other organizations. Conservation Ontario supports the Conservation Authorities network and is responsible for a number of significant environmentally related priorities with direct association through Government Relations, Research and Information, Education and Training, and Outreach Education to communities.
